FROM DIRECTOR'S DESK

Dear Esteemed Recruiters,

I extend my warmest greetings to you on behalf of the Central Institute of Technology, Kokrajhar (CIT Kokrajhar). It is with immense pleasure and anticipation that I welcome you to the Placement Brochure for the academic year 2023-24.

At CIT Kokrajhar, we take pride in nurturing a diverse and talented pool of students who are not only equipped with technical skills but are also imbued with a strong sense of ethics, innovation, and adaptability. Our commitment to providing holistic education ensures that our students are job-ready and poised to become future leaders and innovators in their respective fields.

Over the years, our students have consistently demonstrated their mettle in the professional arena, contributing their skills and expertise to a wide array of industries and organizations. The success stories of our alumni are a testament to the quality of education and guidance they receive at CIT Kokrajhar. We understand that as recruiters, you seek qualified candidates and individuals who exhibit strong character, teamwork, and a commitment to continuous learning. I am confident that you will find these attributes and more in our students.

Our Placement Cell is dedicated to ensuring a seamless and mutually beneficial recruitment process. We offer a platform where you can interact with our students, understand their potential, and select the best-fit candidates for your organization. Our team will provide you with all the support you need to make the recruitment process efficient and effective.

CIT Kokrajhar is not just an institution; it is a vibrant community that fosters innovation, creativity, and excellence. By choosing to recruit our students, you become a part of this community and contribute to the development of future talent in your industry.

As we look forward to another successful placement season, I encourage you to explore the profiles of our students and the wide range of academic programs we offer. I am confident that you will be impressed by the caliber and diversity of our student body. I express my gratitude to all the recruiters who have partnered with us in the past and extend a warm welcome to those considering CIT Kokrajhar for the first time. Your participation in our placement process is integral to our student's success, and we value your trust and support. I look forward to witnessing the fruitful collaborations and career opportunities that will emerge from this placement season. Together, let us shape a brighter future for our students and contribute to the growth and prosperity of your organizations.

Thank you for considering CIT Kokrajhar as a source of talent for your esteemed organization.

PROF. HEMANTA KUMAR KALITA
DIRECTOR
CIT KOKRAJHAR

MESSAGE FROM THE TPO

Dear Esteemed Recruiters,

Welcome to CIT Kokrajhar, your premier destination for top-tier talent in engineering and technology. Located in the prestigious Bodoland Territorial (BTR) of India, we have established a solid reputation in both Assam and the North eastern region (NER). Our accomplished alumni are living proof of our tradition of excellence, excelling across diverse domains from engineering to research and development.

Since 2006, CIT Kokrajhar has been dedicated to producing diploma holders graduates and post graduates who possess not only strong theoretical knowledge but also practical skills. Our students' unwavering commitment to innovation, problem solving, and adaptability sets them apart. As the training and placement officer, my team and I are committed to bridging the academia industry gap. We ensure our students are industry ready through rigorous training, workshops and internships, fostering holistic development.

Our students excel not only academically but also in co-curricular and extracurricular activities, developing leadership teamwork and communication skills essential for a thriving career. Partnering with us connects you to some of the finest technical minds and contributes to shaping the future of engineering and technology landscape.

Thank you for considering CIT Kokrajhar as your recruitment destination. We eagerly anticipate a mutually beneficial partnership, confident that our students will elevate your organization's growth and success. For inquiries or recruitment activities, please contact our Placement Cell.

Welcome to CIT Kokrajhar, where talent meets opportunity!

Warm Regards,

DR. AGILE MATHEW
TRAINING & PLACEMENT CELL
CIT KOKRAJHAR

ABOUT CIT KOKRAJHAR

Central Institute of Technology (CIT) Kokrajhar, is an esteemed technical institution (Deemed to be university under MoE. Govt. of India) located in Kokrajhar, Assam, India. It was established in 19 December, 2006 as one of the premier institutes under the Ministry of Education, Government of India. The Institute is an autonomous body registered under the Societies Registration Act., 1860 and functions under a Board of Governors (BOG).

It operates under the mentorship of the Indian Institutes of Technology (IITs) and receives substantial support from the Government of India. The institute is dedicated to promoting excellence in education and aims to create competent professionals who can contribute to the development of the nation. The institute is known for its focus on technical education, research, and innovation, and it offers undergraduate and postgraduate programs in various fields of engineering, technology, and applied sciences. The institute has well-equipped laboratories, modern classrooms, a well-stocked library, and advanced research facilities. It also emphasizes practical learning and industry exposure through internships, industrial visits, and collaborative projects. The institute also invites guest lectures and organizes seminars, workshops, and conferences to keep the students updated with the latest developments in their domains.

The institute has various clubs and societies catering to cultural, technical, and sports interests. Students actively participate in events and competitions at the national and international levels, showcasing their talents and skills. CIT Kokrajhar has developed strong ties with industries, research organizations, and other academic institutions, facilitating collaborations, internships, and placements for its students. The institute has a dedicated placement cell that assists students in securing job opportunities in leading companies and organizations. CIT Kokrajhar is a prestigious technical institute known for its commitment to providing quality education, fostering innovation, and nurturing well-rounded professionals. With its strong academic foundation, state-of-the-art infrastructure, and industry collaborations, the institute aims to contribute to the advancement of technology and promote socio-economic development in the region and beyond.

Our Vision

Foster skills development with innovative teaching techniques and learning technologies such as e-business and e-learning. Ensure access to education, training, knowledge and technology for promoting skills and innovations to all.

Establish a world class Institute for education, career, technology and vocational training. To promote a two-cycle modular degree structure with the objective to make students free from a single career path by enabling them to opt for alternatives at different stages of their study. Empower the people to fulfill their aspirations by fostering know how in technology and vocational training to produce skilled and trained manpower from the area by serving as a link between education, industry and economic self-reliance.

Our Mission

To promote a two-cycle modular degree structure with the objective to make students free from a single career path by enabling them to opt for alternatives at different stages of their study. Establish a world class Institute for education, career, technology and vocational training. Address challenges in rapid shifts in the nature of demand for skills by emphasizing on research, development, commercialization and industrialization with necessary thrust to shift from traditional mass approaches to provide more customized training. Empower the people to fulfill their aspirations by fostering know how in technology span vocational training to produce skilled and trained manpower from the area by serving as a link between education, industry and economic self-reliance.

ADMISSIONS

The world at **Central Institute of Technology, Kokrajhar** is designed build fundamentals and cater to industry needs. Exposure to real industry problems is emphasized with the main coax being acknowledgement and enlightenment of students.

UNDERGRADUATE PROGRAM

POSTGRADUATE PROGRAM

ACADEMIC PROGRAMS

B. TECH (4 YEAR COURSES)

- Computer Science and Engineering (CSE)
- Electronics and Communication Engineering (ECE)
- Civil Engineering (CE)
- Instrumentation Engineering (IE)
- Food Engineering and Technology (FET)

B.DES (4 YEAR COURSE)

- Multimedia Communication and Design

M. TECH (2 YEAR COURSES)

- Computer Science and Engineering (CSE)
- Water Resources and Hydraulics
- Green Energy Technology
- Food Engineering and Technology (FET)

ACADEMIC PROGRAMS

M.DES (2 YEAR COURSE)

- Multimedia Communication and Design

PHD

- For all departments engineering and design

DIPLOMA

- Computer Science (CO)
- Electronics Telecommunication (ET)
- Animation and Multimedia Technology (AMT)
- Construction Technology (CT)
- Control and Instrumentation (CI)
- Food Processing Technology (FPT)

WHY RECRUIT AT CIT Koj?

Creamy Layer Student Community

Admission of students to the institute is strictly based on their performance in JEE, and CITKEE. All the students who enter CIT Kokrajhar are among the top of the engineering aspirants, which is about 1.4 million. This percentage marks the quality and caliber of students in the institute.

Outstanding rankings

CIT Kokrajhar, being the cradle of excellence, has been constantly among the top engineering schools in India. The government of India, with the full authority of the Ministry of Education, has recognized us.

Research & Development

It is mandatory for all B.Tech and M.Tech students to take up projects under the supervision of the faculty. These comprise basic development and application-oriented research projects. Students are also encouraged to publish papers in peer-reviewed national and international conferences and journals.

Industrial Exposure

All students in the 7th semester of B. Tech. are required to complete industrial training from any organisation in India or abroad so that the skills and knowledge gained in the classroom can be put to practical use in practical scenarios. Industrial training exposes students to the challenges of the presently functioning industry and ensures that every student knows how to implement ideas.

Diversity and Balance

CIT Kokrajhar admits students from all over the country. We believe wholeheartedly in the importance of diversity for an organisation, thus ensuring that there is a satisfactory ratio of male and female students too. Students have balanced personalities. Be it extracurriculars, technical expertise, internships, cultural activities, or social volunteering, our students have shown vigour everywhere.

Top-notch curriculum and academics

Most of our faculty have achieved doctorates from top IITs and NITs; our curriculum is constantly updated to match and reflect the current industrial scenario and technologies in use; and we are a deemed to be university, having complete autonomy on our syllabus with no external influence.

An extremely successful alumni network, CITKAA

The CIT Kokrajhar Alumni Association (CITKAA) is the official alumni network of the Central Institute of Technology, Kokrajhar. It connects with more than 3,000 graduate alumni who have brought laurels to the institute from time to time. Scientists, entrepreneurs, industry leaders, managers, artists, and social leaders—our alumni are actively engaged in every influential field. The legacy you would want to be proud of is producing excellent and industry-ready graduates for two decades.

Strong Work Ethic

Graduates from CIT Kokrajhar are known for their strong work ethic and commitment to excellence. They are accustomed to rigorous academic schedules and possess the determination and perseverance required to excel in challenging work environments.

The legacy you would want to be proud of

The rich legacy of producing world-class and industry-ready graduates for two decades. Students are trained by competent in-house faculty equipped with research and practical hands-on experience.

FACILITIES

CIT Kokrajhar is equipped with comprehensive facilities to facilitate smooth placement activities. The placement office at CIT Kokrajhar is committed to providing excellent hospitality to recruiters. The institute has maintained a remarkable record with no past issues or controversies. Recruiters can expect a smooth and pleasant experience during their interactions with the institute and its students.

The institute ensures that all requirements are met, including:

- **Fully Furnished AC Rooms and Suites:** The institute provides comfortable and well-equipped rooms and suites for recruiters during their visit.
- **Conference Room with Audio-Visual Setups:** A conference room with audio-visual setups is available to conduct presentations, interviews.
- **Well-Equipped Computer Labs:** CIT Kokrajhar offers modern computer labs with the necessary infrastructure and software required for technical assessments and evaluations.
- **Premier Auditorium:** The institute boasts a premier auditorium with a seating capacity of 200+ for conducting large-scale recruitment events, seminars, or company presentations.
- **Combined Online and Offline Placement Activities:** CIT Kokrajhar provides facilities to conduct placement activities in both online and offline modes, ensuring flexibility and convenience for recruiters.

FACILITIES

- **Transportation Facilities:** The institute offers cab facilities within Kokrajhar city, ensuring convenient transportation for recruiters. Our institute provides cab facility all around Kokrajhar as well as safe and convenient direct transport facility from the nearest airport to the institute.
- **Wi-Fi Connectivity:** The institute offers high-speed Wi-Fi connectivity throughout the campus, ensuring seamless communication and access to online resources during placement activities.
- **Accommodation of HR:** The institute arranges accommodation for visiting recruiters at nearby stay hotels, ensuring comfortable and convenient stays during their visit.
- **Motivated and experienced staff:** With their expertise and commitment, the placement office staff at CIT Kokrajhar ensures that the entire placement process runs seamlessly.

PLACEMENT PROCEDURE

Invitation - The Placement Office establishes a point of contact and sends invitations to the recruiting companies / organizations along with the relevant information and contact details.

Confirmation - Once the company's confirmation mail/call is acknowledged, Placement office sends Job Application form (JAF) to the organization with all the relevant information.

Scheduling - After receiving the filled JAF from the companies, the PPT dates are finalized and the meetings are scheduled on appropriate dates.

Recruiting Drive - The company is given access to all the applications along with their respective resumes for short listing/ screening. Then the company organizes recruitment drive to select the best suited students.

Campus Visits - Organizations visit the campus on the selected day and conduct tests/interviews as per their selection procedure. Visits can also be made online on video conferencing platforms like MS Teams, G Meet, etc.

Results - The company/organization has to furnish the final results as soon as possible after the completion of the selection procedure.

STUDENT LIFE

CIT Kokrajhar is equipped with comprehensive facilities to facilitate smooth placement activities. The placement office at CIT Kokrajhar is committed to providing excellent hospitality to recruiters. The institute has maintained a remarkable record with no past issues or controversies. Recruiters can expect a smooth and pleasant experience during their interactions with the institute and its students.

Techcracy is an annual tech fest at the Central Institute of Technology Kokrajhar. The event showcases innovation, including workshops, lectures, and model competitions like Jouga. It features robotics, coding, gaming, and cultural events. Since 2013, it has gained nationwide recognition and attracts participants from various states. With lectures, challenges, and exhibitions, Techcracy is a platform for self-expression and growth.

TECHCRACY

ECSTASY

Ecstasy, the cultural fest of Central Institute of Technology, Kokrajhar, Assam, is a renowned event in lower Assam, hosting national and international artists. Spanning 3 days and nights, it features 40+ competitions including Mr & Miss Ecstasy and bridal contests. With performances by global artists like Aditi Singh Sharma and Sunburn Campus, it draws participants nationwide. Ecstasy, steadily growing, is set to be the greatest edition yet.

STUDENT LIFE

ANUVA

Anuva is the annual design festival hosted by the Design Circle Club in association with the Department of Multimedia Communication and Design at the CIT, Kokrajhar. Anuva aims to bring a platform to showcase talents from art and culture to design and innovation. It consists of various design competitions, events, workshops, exhibitions and networking sessions. Some of the sponsors for the events are XP Pen, Huion, Nikon, Sobha Electronics, etc.

Serega, the annual magazine of CIT Kokrajhar, offers a space to express their thoughts, ideas, and perspectives on a wide range of topics. It allows them to hone their writing skills, improve their communication abilities, and contribute to the intellectual discourse within the institute. The magazine provides a balanced mix of content, including articles, paintings, opinions, technical write-ups, and other intricate elements, making it an engaging read for both the students and casual readers.

**ANNUAL
MAGAZINE**

SAOGARI

The official photography and videography club at CIT Kokrajhar, **Saogari**, attempts to foster in students a knack for photography.

CAREER ORIENTED CLUBS

CODING

The Coding Club CITK is all about imparting and assimilating Coding knowledge among the interested. It aims to conduct events related to the field and focuses on activities such as Competitive Programming, Coding Competitions, Seminars, Industry Talks, etc. The club regularly organizes coding competitions on various platforms to help the students strengthen their coding skills. The club serve as platforms for enthusiasts to come together, learn, collaborate, and grow in the field of coding and programming. It fosters a sense of community, provide learning opportunities, and facilitate personal and professional development in the coding realm.

GDSC

The Google Developer Student Clubs (GDSC) at CIT Kokrajhar is an inspiring community of tech enthusiasts and learners who come together to foster innovation, collaboration, and skill development. With a strong foundation of students passionate about technology, GDSC CIT Kokrajhar serves as a hub for knowledge sharing, hands-on workshops, and engaging events. In essence, GDSC CIT Kokrajhar is a vibrant platform that nurtures the talents of students, fosters a culture of continuous learning, and contributes to the growth of both individuals and the tech community as a whole.

CAREER ORIENTED CLUBS

CYBER X

Cyber X Secure is the cyber security club of CIT Kokrajhar and its prior mission is to build a community and provide a common platform to learn locally and compete globally. Key Activities of the club include organizing various talks, seminars, workshops and hackathons as well as summer and winter schools. The club mainly focuses on Cyber Security, Pen Testing, Web Security, App Security, Artificial Intelligence in Security, and Blockchain domain.

ROBOTICS

The Robotics Club is a community of individuals passionate about robotics and automation. It provides a platform for students to explore, learn, and collaborate in the field of robotics. The club typically consists of students from various disciplines who come together to share their knowledge and enthusiasm for robotics. The club often invites experts and professionals from the industry to deliver talks, conduct workshops, or mentor the members. These interactions provide valuable insights into the current trends, challenges, and opportunities in the field of robotics.

CAREER ORIENTED CLUBS

DESIGN

Design Circle Club is a creative community dedicated to exploring and promoting various aspects of design. It brings together individuals who share a passion for design and offers a platform for collaboration, learning, and inspiration. In Design Club, members engage in activities such as workshops, design challenges, and discussions, where they can enhance their design skills and knowledge. They explore different design disciplines, including graphic design, user experience (UX) design, product design, and more.

AI CLUB

The AI Club welcomes students to the exciting and fast-growing world of Artificial Intelligence. The club serves as a place for the members to discuss the recent trends related to Artificial Intelligence and Machine Learning. The focus will be on developing and strengthening systems thinking, problem-solving, analysis, design, research, teamwork and readiness for lifelong learning in areas of Artificial Intelligence, Machine Learning, and Deep-Learning.

CAREER ORIENTED CLUBS

ASTROPHYSICS

The Astrophysics Club is a vibrant and enthusiastic community that brings together students with a shared passion for the mysteries of the cosmos. Comprised of astronomy enthusiasts, physics majors, and curious minds alike, the club serves as a platform for exploring the wonders of the universe. Regular meetings involve engaging discussions, guest lectures from esteemed professors and researchers, and exciting stargazing sessions using the college's telescope. The club also organizes field trips to observatories and space-related events, fostering a deeper understanding of astrophysical phenomena and the latest developments in the field.

DEVCOMM

DevComm is the Developers Club of CITK which focuses on the field of Web and App Development among the interested. The Club aims to conduct events related to the field and focuses on activities such as Web/App Development, Competitions, Seminars, Industry Talks, etc. The Club aims to contribute to the society on Web/App Development from the members with their skills and talent.

CAREER ORIENTED CLUBS

KONSTRUCT

KONSTRUCT is a thriving Civil Engineering club at the Central Institute of Technology Kokrajhar. The club is dedicated to promoting knowledge, innovation, and practical skills in the field of civil engineering among its members. It provides a platform for students interested in civil engineering to come together, collaborate, and expand their knowledge of the subject outside of the classroom. Throughout the academic year, the club organizes a variety of activities and events, including workshops, seminars, guest lectures, and hands-on practical sessions. The Club goes beyond the classroom, building bridges to the community with impactful projects that uplift locals showcase civil engineering's power, and craft the future of social responsibility.

E-CELL

The Entrepreneurship Cell (E-Cell) of CIT Kokrajhar is a dynamic and vibrant student-driven initiative that fosters entrepreneurship and innovation within the campus community. Comprising a group of dedicated and passionate students, the E-Cell aims to inspire, educate, and empower budding entrepreneurs by organizing workshops, seminars, and networking events. It provides a platform for students to transform their innovative ideas into viable businesses, offering mentorship, guidance, and resources along the way. E-Cell.

HOW TO REACH US?

ROADWAYS

THE NEAREST MAJOR HIGHWAY TO CIT KOKRAJHAR IS NH27 (NATIONAL HIGHWAY 27). THIS WELL-CONNECTED HIGHWAY PLAYS A CRUCIAL ROLE IN CONNECTING VARIOUS REGIONS AND PROVIDES A CONVENIENT ROUTE TO REACH CIT KOKRAJHAR.

MODES OF TRANSPORT

AIRWAYS

REACHING CIT KOKRAJHAR BY AIR IS CONVENIENT WITH RUPSI AIRPORT, LOCATED 75 KILOMETRES FROM THE CAMPUS, BEING THE NEAREST OPTION. GUWAHATI AIRPORT (GAU) IS AN ALTERNATIVE, FROM WHICH TRAVELERS CAN CONTINUE THEIR JOURNEY USING BUSES, TRAINS, OR PRIVATE VEHICLES TO REACH CIT KOKRAJHAR.

RAILWAYS

THE NEAREST RAILWAY STATION TO CIT KOKRAJHAR IS THE KOKRAJHAR RAILWAY STATION. IT IS SITUATED JUST 10 KILOMETERS AWAY FROM THE INSTITUTE PREMISES. THE STATION SERVES AS A VITAL GATEWAY FOR STUDENTS, FACULTY, AND VISITORS ALIKE.
